### Sunscreen Roller Blinds

Roller Blinds & Sunscreen Rollers enhance any room with their distinctive smart stylish look. Many decorative colours are now available with individual roller blinds suited to all window areas. Mermet Range of fabrics allow you maximise heat and glare protection whilst preserving your view. Reduce your energy consumption by between 23% and 33% depending on colour chosen.

Timber Shutters & Plantation

Shutters

Timber Shutters , Plantation Shutters and the new Eclipse Shutters all have unique characteristics that combine a traditional style and contemporary look on any window. Shutters are available in a range of colours from inherent cedar to elegant white. Combining design and smart technology shutters are also available in varying blade widths.

Curtains, Drapes & Soft Furnishings

Curtains and Drapes combine the creative use of materials that will enhance all window styles. The use of modern materials and manufacturing allow for diverse applications ranging from traditional curtains to modern reverse pleat drapes.
